INTRODUCTION

Vision

To work, within the parameters of the charter, to create and disseminate knowledge in the fields of IT and Engineering Technologies, Business, and Basic and Social Sciences to contribute to the process of nation-building in keeping with our religious, historical, and cultural ethos.

Mission

To equip upcoming generations with intellectual, social, and scientific knowledge and skills in varied academic disciplines at par with international standards by establishing state-of-the-art academic facilities and provision of highly qualified teaching faculty. The University preserves and promotes arts, benefits the nation's economy, serves the citizens through public programs and is dedicated to the production of quality human resource for the knowledge-driven development of the country.

Goal

To love and to serve the entire creation of the Creator.

Vice Chancellor's Message

I am honored and immensely pleased to lead University of Buner during a transformative era in higher education. Across the globe and in Pakistan; universities are embracing innovation, interdisciplinary learning, and the integration of technology. At the University of Buner, we are proud to be part of this change.

Our mission is clear: to provide quality education that blends knowledge with skills, rooted in ethics and values. We are focused on bridging the gap between academia and industry, nurturing leadership, creativity, and a strong research culture among students.

We are expanding our academic offerings with new departments in biological, physical, and social sciences, and developing a dynamic environment where students can grow intellectually and personally. Our aim is to provide our youth with global exposure while remaining connected to local values.

As we open admissions, I warmly invite you to become part of a progressive and inclusive academic community; one that believes in empowering the next generation and shaping a better future. Join University of Buner; where knowledge transforms lives, and your journey to excellence begins.

Prof. Dr. Jamshaid Ali Khan

Vice Chancellor University of Buner

STUDENT'S FINANCIAL ASSISTANCE

The Student Financial Aid committee at the University of Buner is committed to supporting students in their academic journey by offering courteous services and vital financial assistance through a range of scholarships and sibling concessions in a fair, transparent, and efficient manner.

University of Buner has disbursed significant financial aid to deserving students based on both merit and need, ensuring the responsible and accountable use of public, institutional, and donor funds.

In addition to scholarship programs, the University of Buner sibling concessions, providing meaningful tuition fee reductions for families with more than one child enrolled at the University. To further empower students, the UoB has also played a key role in the distribution of laptops, enhancing students' access to digital learning tools and resources.
